A MATTER OF LIFE AND BREATH

... message from the A.W.S.A. president ...

It gives me great pleasure to be able to provide this foreword for the 1995 National Open Championships hosted by the South Australian Women's Soccer Association.

We are at a watershed in the development of women's soccer in Australia. With the inclusion of women's soccer in the Olympic Program for the 1996 Atlanta Games and the announcement several days later that Sydney would host the 2000 Games, we have been fortunate to benefit from record funding levels from the Federal Government's Australian Sports Commission and the Australian Olympic Committee. The AWSA has received substantial financial support enabling it, in conjunction with its state members to implement a national program to support our elite players like never before.

Our national teams have undergone extensive international tours and training camps in preparation for the recent FIFA World Championships. Several players benefit from training at the Australian Institute of Sport and in many of the states, Intensive Training Centres provide an elite training environment for our up and coming juniors.

It would be neglectful of me if I didn't mention the fine performances of our national team at the 2nd FIFA World Championships for Women recently held in Sweden. Whilst unsuccessful in our attempt to qualify for the Atlanta Olympic Games, our national team players did themselves and their country proud, both on and off the field. While some will be disappointed in our performances in the Women's World Cup held recently in Sweden, I was not. It is clear that we are now able to compete effectively with the very best football nations in the world and that we have the respect of those countries.

With all the above in mind, there can be little doubt that these Championships will see a higher standard than ever before.

I would also like to congratulate all players on being chosen for their State and the state associations and their team officials for competing in these Championships. I look forward to a fierce competition played within an atmosphere of friendship.

In concluding, on behalf of the AWSA and all the players involved, I would like to thank our hosts for the week, the South Australian Women's Soccer Association and the Sturt Marion Soccer Club for their efforts to date in staging these Championships.

Dennis O'Brien
AWSA President

AUSTRALIAN WOMEN'S SOCCER NATIONAL CHAMPIONSHIPS

... from the executive director ...

It gives me great pleasure to welcome players, support staff, families and friends to the Australian Women's Soccer Association's National Open Championships for 1995.

In my message in a similar program for the Junior Championships in Hobart, I made reference to the unprecedented growth in women's soccer in recent years. The performances of our three National teams continues to strengthen the view that Australia will be a force to be reckoned with in the not too distant future.

Our senior team's performances in the lead up to the World Cup, the World Cup itself and most recently in the US Women's Cup are testimony to the success of the development program overseen by national coach, Tom Sermanni and financially supported by the Australian Sports Commission and the Australian Olympic Committee. This support has enabled the AWSA, in conjunction with its state members, to implement a national program to support our elite players like never before.

Over the past twelve months, our senior national team participated in an extensive and unprecedented program consisting of thirteen training camps and thirty-one international matches. Several players benefitted from training at the Australian Institute of Sport, and in many states, Intensive Training Centres provide an elite training environment for our up and coming juniors. With all this in mind, there can be little doubt that these Championships will see a higher standard and quality of play than ever before.

In congratulating the SA Women's Soccer Association for their efforts to date, I would like to conclude by wishing everyone all the very best for a successful week.

Peter Hugg
Executive Director

... from the S.A.W.S.A. president ...

I would like to take this opportunity to congratulate all the players who have achieved selection to represent their respective States for this the 22nd National Women's Soccer Championships. Undoubtedly you have all been working very hard with your preparation to participate, in what we hope to be, one of the best tournaments ever.

As with most of the States, South Australia is also going through a major growth period with the highest number of registered players since the inception of our Association. A lot of the credit for that goes to the hardworking Committee members of the past and our Development Officer, Wendy Carter. We have seen a growth from 21 teams in 1994 to 28 teams this year with further growth to be expected in 1996.

With the success that we have seen by our National Teams overseas, this will be a great opportunity to see those players and also the best that this country has to offer on show over the next week.

I welcome all of our invited guests and sponsors who I am sure will be pleased with the spectacle displayed by our players in the marvellous sport of soccer.

My sincere thanks must go to the Organising Committee of the Sturt Marion Soccer Club who have put this event together for the enjoyment of all. I also wish to thank the members of the Management Committee of SAWSA for their support and efforts throughout 1995.

On behalf of the South Australian Women's Soccer Association I wish you all a successful and injury free tournament. Please enjoy the hospitality that South Australia has to offer.

If goal difference is the same, then the team with most wins will be placed higher in the championship table. Should the number of wins be equal then the team which has scored the most goals will be placed higher. If goals scored are equal, they will be declared joint placegetters.
- 16b In the event that two teams are absolutely equal in second place at the end of the preliminary rounds, these teams will compete in a playoff match at a mutually agreed time before the scheduled Final. The playoff will consist of 2 x 20 minute halves with penalty kicks to determine the winner if the score is drawn at full time.

17 If for any reason a State reports that it cannot field a team on a certain day during the tournament, then the opposing team shall be awarded two goals and two points.

18 Neutral referees shall be used wherever possible. All State Associations will be expected to nominate a referee to attend each Championship.

19 Trophies and medals for winners and runners-up are to be supplied by the AWSA. Perpetual trophies remain the property of the AWSA. No individual trophies (ie Best and Fairest, leading Goal Scorer) shall be awarded. The maximum number of trophies/medals provided shall be 22 per State.

20 Players shirt numbers are to remain constant throughout the tournament. Any alterations to the printed program must be notified to the organisers prior to the first game.

21 After receiving three yellow cards during the tournament, a player must be automatically suspended for one match.

22 Any player given a red card shall be automatically suspended for one match. Should the Chair of the Judiciary Committee decide that the offence may warrant a longer suspension then the matter may be dealt with by the Judiciary Committee.

23 Any suspension imposed under Rules 21 and 22 shall be for championship games only and can be carried forward if necessary to the next championship.

24 Any player suspended under Rules 21 and 22 shall:

- (a) not wear the team strip;
- (b) not sit on the team bench; and
- (c) not be listed on the match card for the match that she has received the suspension.

The SA Womens Soccer Association, Sturt Marion Soccer Club and all competing teams would like to thank the following referees and medical personnel, for their support during these championships.
